Sir:

On November 28, 2006, U.S. Patent No. 7,140,112 issued with the wrong drawings. That is, the text appears correct, but the drawings are not related. The Applicant is unaware of where the printed drawings came from, but they are not from the application file for this invention. It is requested that a new Official Letters Patent with seal be prepared and provided to the client. As this printing error was of no fault of the Applicant, no fees should be due in connection with this matter. If there is any questions concerning this matter, please contact the undersigned at the number provided below.

Respectfully submitted,

Everett G. Diederiks, Jr.
Registration No. 33,323
